

A stylized sun with a face, featuring two large, expressive eyes. The sun is rendered in a vibrant orange color, with sharp, triangular rays extending upwards and outwards. The background behind the sun is a light, pale pinkish-orange.

FOOD

A photograph of a sunset sky. The sky transitions from a deep orange at the top to a lighter, pale blue at the bottom. Large, fluffy white clouds are scattered across the lower half of the image, partially obscuring the sunset colors.
