## WATERLOO'S NEWEST WINTER ROOFTOP OFFERS AN EXPERIENCE FOR THE GODS & GODDESSES...

Did you see it? The shimmering lights in the sky above Waterloo?

Folklore says these are spirits of our ancestors dancing in the sky. Those who know, know those lights are from Circe's Aurora parties of course - where the god's really go to party.

Gather this Winter and cosy up at Circe's as it transforms for the colder months with fully covered and heated spaces, magical dishes and beverages and dazzling winter igloos. Expect days filled with enchanted dazzling creatures and 'glow up' elixirs to keep one warm and continue partying till the early hours.

Experience the magic of the Northern Lights right here on Circe's Rooftop, because longer nights make for one thing...longer parties.
